Signature Golf Insurance Announces 'Claim Forgiveness' for Signature Golf Customers

TORONTO, CANADA - September 04, 2008 - Signature Golf Insurance, Canada's leading golf club insurance solution, today announced a Claim Forgiveness Program that breaks the mold of existing golf course insurance programs.

"We are in the business of establishing long-term relationships with our customers and we understand that despite the highest levels of care and caution, accidents can happen," said James Grant, president & CEO of Signature Risk Partners Inc.

"Events like lightning strikes and wind-storms are a fact of life in the golf business however they are not necessarily a reflection of the management at the facility," said Grant. "In the past, many insurers have been quick to raise rates after a single claim, but that is not how we operate and our customers take comfort in our commitment to them," and he added, "Some programs make their customers earn this type of feature over time, but with Signature Golf claim forgiveness is available on day one."

The Signature Golf Claim Forgiveness program demonstrates Signature Golf's commitment to its golf course customers and is a key component of the programs innovative features and exceptional coverage.

In addition to the widely admired Audubon ACSP premium credit, clubs insured by Signature Golf receive superior insurance coverage at competitive rates.
